Minden Echo & Haliburton Recorder

LEGION BURNS MORTGAGE

Haliburton Branch 129 of the Royal Canadian Legion held a Mortgage Burning Dinner on Wednesday, November 11, 1970, and the following is the address delivered by the Secretary, Roy Bates. Research on this article was done by George Brennan who was confined to the Haliburton Red Cross Hospital with a heart attack and was unable to give the address.

"The Haliburton Branch of the Royal Canadian Legion was organized in 1927, receiving its Charter in 1928. Leadership was provided in those early years by such men as A. G. Schofield, Dr. Frain and Edgar Bentham. However, the Branch ran into difficult times for it is recorded that on September 14, 1932, it was regu-

larly moved and seconded by Comrades Adams and Shiers 'that this Branch disband and surrender its Charter to Command'. The remaining funds of the Branch were turned over to a newly formed "Haliburton Soldiers' Club" which functioned for the next few years and petered out September 7, 1937.

Comrade Schofield, who was Secretary in 1932, did not return the Charter as instructed, but instead tucked it away where it was forgotten.

George Brennan came to Haliburton in May of 1938 and he, being a Charter Member of the Legion, got in touch with Mr. Schofield. Together they made a tentative study to find out if a

new Branch could be formed. Nothing was achieved however. The next year World War II came on. George himself was disabled in 1943 and hospitalized until July in 1944.

About this time, with new Veterans returning from the war, Comrade Schofield dug up the long forgotten Charter and plans were set in motion to reorganize. There were only a few of them and no immediate funds, but they dug in and by 1945 had purchased Haliburton's first Legion Hall, were free from debt and had funds in the bank.

In that year, 1945, they took care of welfare, pensions, rehabilitation, re-establishing credit, and other chores. And also in that year organized the Ladies' Auxil-

iary.

The Legion was destined to be plagued by fire. In 1952 their Hall was destroyed, but they quickly secured a new location and put up a fine new building. Enthusiasm was great, public relations at their highest, and the Haliburton Legion became known far and wide for its achievements. So well did they prosper that the mortgage was burned on November 21, 1960.

Then, in the early morning hours of April 6, 1963, the magnificent building of which all were so proud also was destroyed by fire. Lost were the Charters, \$2,000.00 worth of band instruments and music, many mementoes, and a fine collection of war

souvenirs. The loss being only partly covered by insurance, the members rolled up their sleeves for the terrific task of once more putting their house in order.

This was soon accomplished. One year later the building you are now in was officially opened and dedicated as the new home of Branch 129. The indebtedness was tremendous — a mortgage of \$41,000.00 stood over our heads, along with \$1,900.00 in shares, but again the membership pitched in. A weekly bingo game was operated faithfully, sometimes the take so small that we wondered if it was worth it, but occasionally a series would come up with a thousand or more in

(Continued on Back Page)

Interest Growing In Classroom Proposal

Preliminary response to a "remote classroom" proposal that would bring Sir Sandford Fleming College continuing education programs to the Haliburton Highlands has been encouraging, according to Ted Campbell of the Haliburton Highlands Chamber of Commerce.

Mr. Campbell said over 20 businessmen and tourist operators have indicated interest in a special demonstration of the system slated for 7:30 p.m. on Wednesday, November 25, at the Haliburton Highlands Secondary School in Haliburton.

Reaction to that demonstration will determine whether the College will go ahead with installation of cable between Peterborough and Haliburton. Sir Sandford would then offer two 10-session courses beginning in January covering the areas of planning for profits and promotion and advertising in the

tourist industry.

Two short 20-minute lectures will be delivered in the November 25 demonstration. Veteran instructors George Fulford and Tony Arnold, who both have wide business experience to back up their academic training, will be involved.

Briefly, the proposed Visual Electronic Remote Blackboard (VERB) system would allow an instructor in Peterborough to teach both there and in Haliburton at the same time, through two-way voice contact and a machine that would project his notes and other drawings in both classrooms.

Although aimed at businessmen and tourist operators, everyone is welcome to attend the free demonstration.

A wide variety of programs may be presented in the future using this system, according to the College.

Two Accidents Investigated

Ontario Provincial Police of the Minden Detachment report two accidents in this area.

On Friday, November 13, about 1:00 p.m., a two-car accident was investigated on Highway 519. The vehicles were reported driven by David Marshall Aird of Haliburton and Ronald Gordon Bain of West Guilford. Ontario Provincial Police Constable Larry Scott estimated damage to the Bain vehicle at \$300 and to the Aird vehicle at \$30.

Ontario Provincial Police Constable D. J. Connolly of the Minden Detachment investigated a one-car accident on Highway 121 about 4:00 p.m. on November 14. Driver of the vehicle involved is reported to be James Albert Ley, 46, of Richmond Hill who suffered facial lacerations. The vehicle hit 10 guide rail posts and was extensively damaged.

Bobcaygeon Here Saturday Night

This Saturday night, November 21, the Haliburton Huskies will be at home to the Bobcaygeon Ti-Cats in a regular scheduled game of the Ontario Hockey Association Central Ontario Junior 'D' Hockey League at the Haliburton Arena, with game time being 8:30 p.m.

Bobcaygeon are always well known for their great hockey teams and when they meet with the local Huskies it always makes for good hockey. This is one game that you won't want to miss.

Rev. D. Anderson To Speak At B.A.C.

The Reverend Donald Anderson from Japan will be the guest speaker at the Brotherhood of Anglican Churchmen's monthly Corporate Communion and Breakfast to be held at St. George's Anglican Church, Haliburton, this coming Sunday morning, November 22, at 8:00 a.m.

Reverend Anderson is at the present studying at the University of Toronto.

\$500 Damage

A two-vehicle accident occurred about 8:05 a.m. last Thursday on Highway 503 five miles east of Kinmount. A car driven by Margaret Joan Harrison of Haliburton sustained an estimated \$500 in damage when it was in collision with a bus driven by Daniel Kitchener Dewey of Gooderham. There was no damage reported to the bus, and there were no injuries reported.

Ontario Provincial Police Constable Douglas Heath of the Minden Detachment investigated.

R. S. McLaughlin Donates \$10,000 To New Hospital

A donation from Mr. R. S. McLaughlin for \$10,000.00 has been received in aid of the new Haliburton Red Cross Hospital Building Fund.

Mr. Ronald J. Curry and his father, the late W. R. Curry, have been associated with Mr. McLaughlin on occasion over the last 50 years. Mr. R. J. Curry wrote a letter to Mr. McLaughlin seeking his support toward this worthwhile project and stating his awareness of the humanitarian efforts that Mr. McLaughlin has been involved with over the years.

Mr. R. S. McLaughlin in his hundredth year, and has been closely associated with both Camp Adelaide and Camp Samac just a few miles east of Haliburton.

This donation of \$10,000.00 is a tremendous help in the Building Fund drive and is an example of the many efforts participated in by Colonel McLaughlin throughout the province.

The Building Fund thermometer has been increased by \$20,000.00 on the strength of a \$10,000.00 donation from R. S. McLaughlin and by reason of the following motion by Dysart Council: "Be it resolved that this Council concurs with the request of the Hospital Building Fund Committee for \$10,000.00; this amount to be budgeted for and paid early in 1971". This leaves the thermometer with a reading of \$148,000.00 raised with \$7,000.00 left to meet the objective.

Dysart's Namesake

Two weeks before my vacation in Scotland in September last a young man came to the Library and said he was a native of Dysart, Scotland, and was there any connection between the two Dysarts. I had to admit that I didn't know there was a Dysart in Scotland. We got the large atlas out and he pointed out the town on the east coast of Scotland, near Kirkcaldy in Fife-shire. We then delved into the Haliburton history and in R. H. Baker's History of Haliburton it states: "This township was surveyed in 1860 and is called after the Fife-shire seaport town of Dysart, situated on the Firth of Forth".

That got me interested and

Mr. Wayne Wood gave me a letterhead showing the attractive Dysart coat of arms to take to the Scottish Dysart.

I had a full schedule in Scotland but took an afternoon to find Dysart and visit someone in authority. However, the old town house is not in use now and all the administration is done from Kirkcaldy (quite a large industrial town). I took some slides but the rain was really pouring down at the time and they were too dark to be of much use. Because of the rain I couldn't explore much and actually got lost in the town.

A relative kindly got in touch with the Librarian for me and

457-1630****Haliburton Junior 'D' Huskies Trounce
Lakefield 8 - 2 For Second Straight Win**

The Haliburton Huskies came through with their second win of the young O.H.A. Central Ontario Junior 'D' Hockey League season last Saturday night here in Haliburton when they soundly defeated the visiting Lakefield club 8-2. This was the Huskies second straight win and it appears that the locals will once again be the team to beat in their group this year.

The game very exciting, with Lakefield having the better of the play in the second period and keeping the game tied at 1-1 for the end of the second stanza. Lewis Dummitt in the Huskies goal held the team together as he stopped many close in chances by the Lakefield club. The Haliburton squad seemed to jell early in the third period and were rewarded with a goal in the first minute of play. Although the final score appeared to be one-sided it was misleading as the Huskies played only hard enough to stay in a tie through the first 40 minutes.

It also appears that the Huskies have come up with a very well balanced team, with three strong centres, namely Gerry McElwain, Cam Botting and Craig Stamp, with a balance of experienced

and outstanding rookies. The defence, led by Bob Woodcock and consisting of Jamie Carroll, Rick Dunsford and Larry LaPorte, need a little more time to get the feel of junior competition which is rougher and faster than Mid-get hockey, but they should be able to adjust without much trouble. Dunsford and Carroll scored their first junior goals, as did Roger Bain and Jeff Campbell.

Lakefield opened the scoring after only 53 seconds of play on a long shot that Dummitt lost in his pads and it trickled through. The Huskies were shaken by this early counter, but settled down to some good hockey and this resulted in a goal at the 6:05 mark when Rick Dunsford scored on a screened shot from the point. The Huskies carried the play but couldn't score on Johnson, the Lakefield goaltender. They peppered 18 shots at him but couldn't come up with the tie-breaker. Lakefield had only nine shots on the Huskies net. The Haliburton team were assessed the majority of penalties and seem to attract the referee's attention because of their large size.

The second period was all

Lakefield until the last four minutes when the Huskies power play got a chance to show their skill. Botting, McElwain and Stamp, all over six feet, along with Jamie Carroll and Bob Woodcock are a formidable sight and they did everything but put the puck into the Lakefield net. They had several good chances but failed once again to break the tie. Lewis Dummitt held the Huskies in the game during the first half of the period and was outstanding on several close-in drives. Lakefield outshot Haliburton 15 to 13 and the Huskies ended up with three of the four penalties of that frame.

The Huskies dispelled any doubt as to the outcome of the game early in the third period as Craig Stamp tipped in a Jamie Carroll drive from the point at the 1:10 mark, and then Jamie Carroll scored what was to be the winning goal at the 7:55 mark on a pass from Danny Carpenter. Roger Bain, playing his first game of junior hockey, scored at 10:59 on passes from Gerry McElwain and Jim Cowan to give the Huskies a three-goal lead. Martin of Lakefield scored at the 13:00 minute mark only to have Jeff Campbell and Gord Scheffee score on beautiful set-ups by Craig Stamp, in less than 20 seconds. Jim Cowan and Cam Botting, who played a strong game and was hauled down several times by Lakefield (as it was the only way to stop him) rounded out the scoring for the night.

The Haliburton Huskies drew 426 people out to the opening game, which is over double the number of fans to last year's home opening. The Huskies were very encouraged to see such support and they hope that the fans will stay behind them for the season.

The local Huskies travel to Keswick on Thursday night and entertain Bobcaygeon this Saturday. See you there!

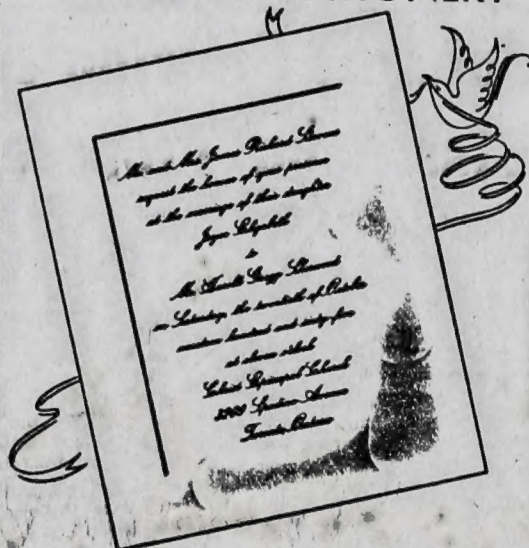

Haliburton Pee Wees Off To Good Start

The Haliburton Pee Wees got off to a flying start in their Minor Hockey League schedule last Thursday by dropping Bobcaygeon 3-0 right in Bobcaygeon.

The team played well in front of goaltender Dale LaPorte, who aided the cause by coming up with numerous crucial saves. Chris Rouble would have to be

named as the team leader as his back-checking, crisp checks and end to end rushes kept the Bobcaygeon team disorganized. Chris also got the prettiest goal of the game. Other Haliburton goal getters were Derwin Barry and Randy McKinnon.

All in all, it was a fine "team effort".

FREE DEMONSTRATION**WEDNESDAY, NOVEMBER 25, 7.30 P.M.****Haliburton Highlands Secondary School - Haliburton Village****VISUAL ELECTRONIC REMOTE BLACKBOARD**

Sir Sandford Fleming College proposes to use this system to electronically link a Peterborough and Haliburton classroom, allowing an instructor to teach two classes 100 miles apart.

If enough interest is shown following the Wednesday demonstration (which will be simulated), the College will go ahead with the necessary arrangements to make the link a reality.

During the demonstration, two veteran instructors will deliver short lectures concerning planning for business profits and promotion and advertising in the tourist industry.

We hope to see you there, whatever your interest.

AN AUTUMN COLOUR TOUR by C. W. Rendall

It being the season of the year that nature puts on its finest display we decided to take a trip around the north country to have a last look around before going (like all the winter animals) back to our winter quarters, so I got in touch with Mr. Ivan Fowler of the Fowler Coach Lines, who is my chief guide and to coin a word — tourmaster, and he informed me that he had a colour tour planned for the 30th of September and had room for the two of us on it.

So at 9:30 a.m. on Wednesday, September 30, it found us at Bancroft waiting for the bus — it arrived and was gassed or "dieselled" for the day's run and we stepped aboard, proceeding to the "Old Barn" at Bancroft where we picked up the rest of our fellow passengers who were chiefly from the Belleville area and who were refreshing themselves with coffee and snacks for the inner man.

In short order they were aboard the bus and we were on the way to about the best day tour we have had. I don't have to tell you that the weather wasn't in a co-

operative mood as it rained all the night previously and was still raining when we set out. However, everybody was resigned to the weather (anyway, what could we do about it?).

We proceeded on our trip and I must say that the colour was perfect as the leaves were at their best — and we had some lovely views of the reds of the maples and the yellows of the birch and poplar. Our road took us along Highway 127 to Maynooth and Whitney where we joined Highway 60 and entered Algonquin Park through the east gate. The trees were very beautiful through the Park and we saw many of the lakes, also passing near Canoe Lake where I understand that sometime this summer they filmed the story of Tommy Thompson. I did not see this story when it was shown on the television, but it was all filmed in the Park.

We stopped at the Museum where there is a good exhibit of fish (live) and stuffed animals and birds; in some cases you press a button and hear the sound of the wolves and the

songs of the birds — quite an interesting place to visit. They also show a 15-minute film of the Park but as it was getting near our time for lunch and everybody (including yours truly) was getting hungry we didn't stop for the picture.

After leaving the Park we proceeded along Highways 35 and 60 to Huntsville where we made our stop for dinner. The rain had practically stopped by then, but it was still dull and quite cool. We had a leisurely dinner and then took a walk up the main street and then back onto the bus for the next part of our journey.

After leaving Huntsville we travelled along Highway 11 to Bracebridge where we stopped and paid a visit to the old gentleman with the white whiskers, generally known as Santa Claus. We spent about an hour in Santa's Village and made an interesting visit to this place which is a favourite place for the children to visit in the summer-time. There are many little houses here — Santa's workshop his home where he had a cheer-

ful fire burning and he greeted us with a happy smile. We saw a chair made of antlers which he said was given to him by a gentleman from Winnipeg who had made it many years ago; it was quite a work of art and must have taken many hours of labour and a big job to match-up the antlers to get such a fine job. We visited the little church where I tolled the bell; the church is built of logs and has two pews on each side and a scene of the manger and the baby Jesus in a cradle — quite a good exhibit. We also saw the display of animals (live) which were altogether very interesting and saw the little train and the boat drawn by a white swan, and thus passed a pleasant hour away.

On the road again, we went down Highway 12 to Gravenhurst to Gravenhurst and onto No. 7 Highway through Manilla and Oakwood to Lindsay where we stopped for supper.

After supper we left Lindsay about 6:40 p.m. and onto No. 7 Highway again, bypassing Peterborough and so on to Madoc where we bid goodbye to Ivan

Fowler and our fellow passengers and there we were met by Mrs. Ivan Fowler who had driven there from Bancroft to pick us up, as the bus was going on to Belleville to discharge the rest of the passengers and was staying there overnight to take another load on a colour tour on Thursday.

We certainly had a wonderful tour, seeing lots of colour, and we appreciated the kindness of Mrs. Fowler in picking us up and taking us back to our car at Bancroft.

This is the longest colour tour we have had and regardless of the weather we enjoyed every moment of it. We travelled 391 miles by bus and car, not including the journey from our cottage to Bancroft and return.

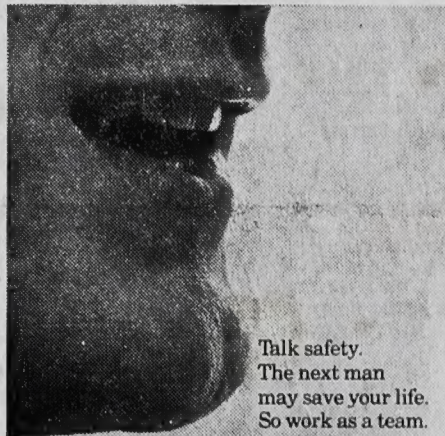

The rewarding art of Self-Defence.

Face the facts; you're surrounded by hazards as you work.

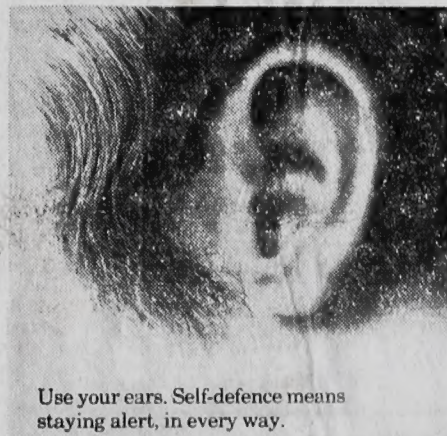

Too many men and women get hurt, just because they don't look after themselves on the job.

The secret is to work defensively.

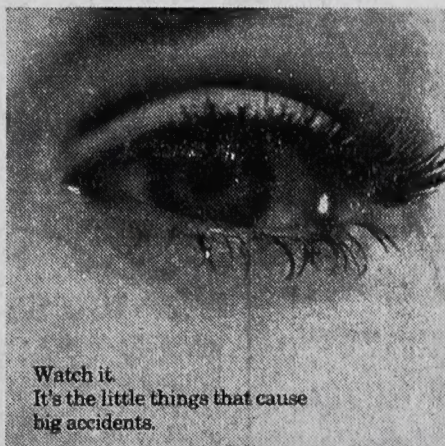

Sharpen your self-defence — it pays off.

Talk safety. The next man may save your life. So work as a team.

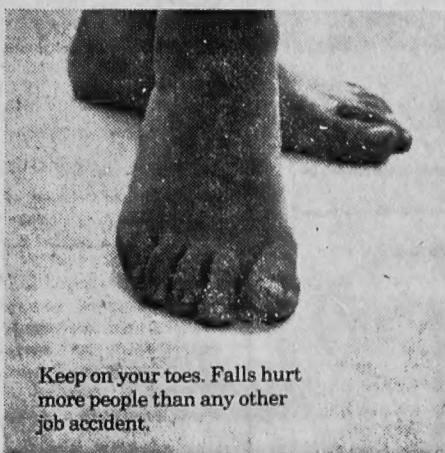

Use your ears. Self-defence means staying alert, in every way.

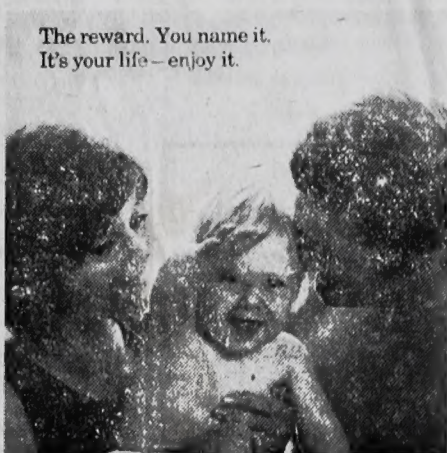

Watch it. It's the little things that cause big accidents.

Protect your hands. Easy to injure, difficult to live without.

Keep on your toes. Falls hurt more people than any other job accident.

The reward. You name it. It's your life — enjoy it.

Be a champion of Self-Defence.

Your Workmen's Compensation Board, Ontario

Bill Smiley

EACH LIFE SOME SUN APPEARS

It's one of those gloomy November days, with the overcast so low that even the birds are walking.

I have a month's correspondence to catch up on, three weeks of essays to read, and a week's leaf-raking lying in the back yard.

My wife has pains in her belly and is going to have the living-room redecorated. I don't know which alarms me more.

My daughter is in the next room, writing an essay on Nietzsche, an appalling prospect. Asked her how it was going and she said pretty well, but that she had an idea what she was writing was a lot of crap.

Two of my colleagues lost their fathers unexpectedly on the weekend. Another is in hospital having X-rays on his stomach and hoping it's "only" an ulcer.

Outside my little world lies a Canada deeply troubled by pollution, an unemployment figure that is alarming, and the freedom of the individual under the new government legislation for the prevention of violence.

And outside that world again is the big one, a seemingly hopeless mess of population explosion, food shortages, wars, suspicion, despair and poverty.

Oh well, what the hell. You only go through the course once. It's the only life we have, and however bleak it seems, there are always a few rays of sunshine.

Looking on the positive side, it's not so bad. The correspondence, essays and leaves will eventually be dealt with. The living-room will be decorated, which will cure my wife's pains in the belly. My daughter will get a C-minus on her essay and blame me for it, but it won't kill her.

We all have to lose our fathers sometime, and maybe it will be only an ulcer, which is practically the trademark of a sensitive person these days.

There's not much I can do about pollution except bagging my leaves instead of burning them, and continuing my refusal to use throw-away bottles. I can't do a darn thing about unemploy-

ment except get a kid to rake my lawn, and I've tried, and they aren't interested. And there's little I can do about individual freedom except demand it in this column, which I shall continue to do, and the government had better not start monkeying around trying to censor me.

As for the world, it's always been a mess. Human beings seem to enjoy living in messes of their own making, unlike other animals. Perhaps that's why so many kids are on drugs today. If we tried to force drugs on them, they'd rebel violently.

And those rays of sunshine do appear. The other night at a party, a lady friend was being embraced rather amorously by a middle-aged gentleman who had been into the grape. She appealed to me, wide-eyed, over his shoulder. As smoothly as a fight referee, I broke up the clutch and simultaneously prevented the gentleman's wife from punching him on the nose.

The first lady later told my wife that I had the polish and poise of a European man. My wife thought it was a compliment. Considering some of the European males I have known in my life, I thought it an insult. However, a ray of sunshine, though rather murky.

I got another one this week, when a friend described a confirmation ceremony in a local church. The Archbishop himself was there, and it was a big deal for all. The Arch was asking the children what they had learned in their training for confirmation. They provided the stock answers, which they had learned faithfully.

Hoping to probe a bit deeper, he asked one little guy what else they had learned. The lad muttered something. The Arch looked rather surprised and asked him to repeat it.

Loud and clear, the kid said: "We learned to commit adultery". Apparently, the whole church broke up, including the Archbishop.

So, into each life some rain must fall. But, at least until the Judgement Day, we can always hope for those rays of sunshine.

Letter To Editor

Haliburton Tuberculosis & Respiratory Disease Association
R.R. 1, Minden, Ontario.
November 11, 1970.

Mr. B. Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Mr. Feir:

It is Christmas shopping time again and Christmas Seal Campaign time for the Haliburton Tuberculosis & Respiratory Disease Association. I would like to take this opportunity as President of the Association to thank all the people of Haliburton County for their past support of our Association.

Since the Ontario Government has relieved us of many of our responsibilities in the tuberculosis area, the Association has been able to become more deeply involved in the respiratory disease area. We are currently providing research, education and testing in such areas as chronic bronchitis, emphysema and asthma. Community screening for these chronic respiratory diseases has shown an incidence to 10 per cent of the population 18 years or older. Among cigarette smokers the incidence can jump to about 25 per cent. Last year 2,649 Canadians died of emphysema and chronic bronchitis. These and other statistics show there is a problem and a big job to be done, including the education of the youth to the dangers and problems involved with smoking.

Our Association has only one appeal to the public for funds which is the annual Christmas Seal Campaign. As I mentioned previously, it is "that time" again and I hope that when you receive your Christmas Seals in the mail you will think about the services your Christmas Seal association offers to this community and help us to help you.

Sincerely,
(Mrs. G. V.) Doris McManus,
President.

LINGERING AGONY
OF CHRONIC BRONCHITIS

"I'd rather have cancer than chronic bronchitis" said Dr. R. M. Cherniack, Professor of Medicine at the University of Manitoba and Medical Director of the Tuberculosis and Respiratory Disease Service of the Sanatorium Board of Manitoba. Lung cancer usually strikes a person about age 60 and kills him relatively painlessly within a few years, but bronchitis strikes when a person is in his early 40s and will bring him great suffering for another 20 years or more.

The Canadian Tuberculosis and Respiratory Disease Association has become increasingly alarmed over the increasing incidence of chronic bronchitis among Canadians in recent years. (Research projects, supported by Christmas Seal funds have been undertaken in several parts of the country to determine just what the incidence of this disease is.) At the moment there are no official statistics since bronchitis, unlike tuberculosis, is not infectious and therefore does not have to be reported.

CHURCH NEWS

RUTH DRYDEN MISSION CIRCLE

The Ruth Dryden Mission Circle met for their November meeting on Tuesday evening of the 10th at the Lakeside Baptist Church, with 15 members and one visitor present. We were happy to have our visitor, Phyllis Madill, join our Circle at the close of the meeting.

Alice Hacker chaired the Devotional part of the meeting and opened with the hymn "In Christ There Is No East Or West", and followed with a Scripture Reading, Colossians 3: 12 - 17 and 1 Peter 2: 1 - 10.

The Devotional entitled "Lively Stones" was read by May Ward. Every Christian woman is a stone in the building composing Christ's Kingdom. But are we "lively stones"? And isn't the phrase "lively stones" an intriguing one? How often we feel we accomplish so very little for Christ and His Kingdom! Could the reason be that we are fearful, timid and lacking in enthusiasm? We should be overflowing with enthusiasm for the greatest thing in all the world — the Gospel! Ordinarily we think of the hymn "When He Cometh" as a song only for children but our Saviour said that unless we become as little children we have no place in His Kingdom. We may be gems for His Kingdom — what a responsibility and privilege! The Gospel itself is the rarest jewel. How easy it is in the hustle of daily living to exchange treasures for trash! "Where your treasure is, there will your heart be also" is a Bible gem of warning. We may be "lively stones" at work in His Kingdom. Let us meet the challenge.

After singing two verses of "When He Cometh" a reading was given by Mae Francis entitled "Manikyam's Triumph". Manikyam was a young Indian woman who gave her heart and life to Christ. Her faith in a living Saviour gave her the strength and courage to accept many

trials and persecutions from all the members of her family. However, she learned to grow in Christ and they could not help but be influenced by the kindly witness of her life. Manikyam in the Teiugu language means "jewel", and this young woman certainly became one of the Redeemer's jewels.

The Devotional Period was closed with the third verse of "When He Cometh" and "The Lord's Prayer" repeated in unison. Betty took the chair and before the business period started we enjoyed a quiet time of prayer.

After the Minutes were adopted as read by Stella, a slate of officers for 1971-72 was presented by Wilda. The members were very pleased to hear that Edith Schram had accepted the office of President, with Eva Howe as Vice President, Alice Hacker as the Treasurer and Ruth Ward as the Secretary. All offices were filled except News Reporter, Visiting Committee and a member to sit on the Finance Committee of the Church. It was decided that each month the group responsible for the spiritual part of the meeting would appoint some person to act as News Reporter and one or two to take care of the visiting for that particular month. Eva Howe was appointed to represent on the Church Finance Committee.

A good number of new mitts and some toques were donated for the Oshwekan Indian children and Alice Hacker offered to mail the parcel to the Morikawas.

The offering was taken and Betty offered thanks for the gifts.

Some letters were read by Stella and Sunshine Cards signed by the members to be sent to several people. Plans were discussed for our annual Christmas Party and a committee appointed. Any persons who are not members of our Circle, but who participate as prayer sisters, are invited to attend our Party on Tuesday evening, December 8.

The meeting closed with the Mizpah Benediction and the delicious refreshments served by

hostesses Ruth Ward and Martha Deterling were enjoyed by all present.

Mr. and Mrs. Fred Sawyers and family of Powers Corners were weekend visitors with Mr. and Mrs. Carl Dugan.

Mr. Noble Hague is home again after being a patient in the Peterborough Civic Hospital.

Mrs. Bill McKay of Carnarvon and Mrs. Irv Newell of Gelert visited on Wednesday with Mrs. Mike Newell and family.

Mr. Orval Francis and Mr. Bob Francis and Mike and Jeff called on Mrs. Lenora Francis and Mr. and Mrs. Orville Hicks on Sunday.

Mr. Dave Burk who has been a patient in a Toronto hospital returned to his home on Sunday.

Mr. and Mrs. George Parker have returned home after spending last week with their daughter Mrs. Keith Hill.

A number from here attended the Open House held in honour of the Silver Wedding Anniversary of Mr. and Mrs. Jack Francis.

Mr. and Mrs. Ron Little spent Saturday evening with Mr. and Mrs. Carl Dugan.

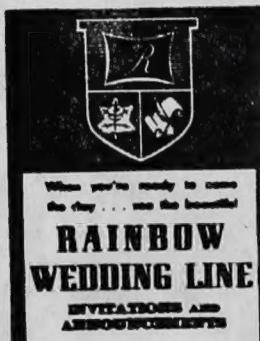

A Bridal Shower was held on

INGOLDSBY

A number of friends and relatives called at the home of Mr. and Mrs. John Francis on Saturday on the occasion of their 25th Wedding Anniversary. Those from out of town were from Oshawa, Toronto, London, Haliburton, Lochlin, Donald and Gelert.

Congratulations to the Lochlin - Ingoldsby Canadian Girls In Training for the very successful and delicious Pot-Luck Supper held at the Lochlin Community Centre on Wednesday evening. These young girls deserve a lot of credit for the part they played in this supper.

Recent visitors of Mr. and Mrs. Everett Burk were Mr. and Mrs. George Exon of Lochlin, Mr. and Mrs. Clifford Elstone and Mr. and Mrs. Garry Burk and family of Haliburton, and Mr. Bev McElwain of Brooklin.

HALIBURTON COUNTY ECHO

Monday evening in honour of Miss Terry Young in the Lochlin Community Hall.

Mrs. Maggie Elliot and Mrs. Annie Fairrey of Toronto called on the Wruths on Friday.

Mr. Wes Stata of Oshawa was a recent overnight guest of Mr. and Mrs. Carl Dugan.

Mr. and Mrs. Guy Bloomfield were supper guests of Mr. and Mrs. Jim Dugan on Sunday.

Mr. and Mrs. Cecil Harrison spent Sunday evening with Mr. and Mrs. Moss Minaker.

NEWS NOTES

Mrs. Gordon Darby and Mrs. Wallace Crofts spent a few days at the Royal Winter Fair in Toronto last week, where they assisted at the display booth for the Ontario Maple Products. Congratulations on the prizes they received.

Sincere sympathy is extended to the family and friends of the late Mrs. Thomas Duncan, who passed away on Friday at the home of her daughter, Mrs. Milton Loucks, at Minden.

Relatives and friends of Mrs. Ron Harrison of Peterborough would like to wish her a speedy recovery after her recent surgery at St. Joseph's Hospital there.

Mr. and Mrs. Everett Burk, accompanied by Mrs. Harry Burke and Mrs. Mac Burk of Haliburton, were business visitors to Peterborough on Friday.

Mrs. Charlie Hicks and family spent a couple of days last week with her father, Mr. Art Parish of Haliburton.

Recent visitors of Mrs. Harry Burke were Mr. and Mrs. Aage Nybog of Toronto, Miss Linda Burke of Cobden, Mr. Claude Schrader of Petawawa, Mr. and Mrs. Merle Pringle of Donald, and Mr. and Mrs. Jim Burke of Minden.

We are pleased to learn that Miss Penny Martin of Haliburton and Mr. Dave Burke of Lochlin are both home from hospitals in Toronto.

Mr. Brian Walter spent a few days in Toronto last week.

Mr. Neil Darby and Mr. Larry Burk of Toronto spent a few days at their homes here.

Mr. Bob Burk has returned to Sault Ste. Marie and Mr. Andy Paul Jr. has returned to Gravenhurst.

Mr. and Mrs. Parker of Toronto are visiting with their daughter and son-in-law, Mr. and Mrs. Keith Hill.

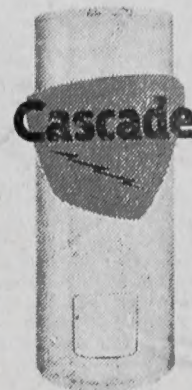

Mrs. Percy Gabb visited at Cameron with her daughter, Mrs. Jack Sinclair.

Mr. and Mrs. Pete Robinson and family visited at Fenelon Falls on Saturday.

**No flame. No flue.

Lancaster - Deacon October Nuptials In Setting Of Minden United Church

Minden United Church was the setting for the wedding on Saturday, October 24, of Patsy Anne Deacon, daughter of Mr. and Mrs. Eldon R. Deacon of Minden, to Lieutenant Richard W. Lancaster of Halifax, Nova Scotia, the son of Mr. and Mrs. John Lancaster of Calgary, Alberta.

Reverend N. W. Oake officiated at the candlelight service.

The soloist, Miss Dianne Earle of Toronto, sang "More", and was accompanied by Mrs. Elgin Stouffer of Minden.

Given in marriage by her father, the bride wore a floor-length empire styled gown of white peau de soie, with sleeves and neckline of lace; her shoulder length illusion veil was held by a white floral headpiece. She carried a cascade bouquet of pink and white carnations and wore her mother's sweetheart locket.

Maid of honour was the bride's sister, Susanne Deacon of Kingston. She wore a floor-length gown accented by ruffles at the neckline and cuffs with deeper ruffles at the hemline; her dress

was a deep shade of plum, and a matching velvet ribbon was entwined in her hair. She carried a nosegay of white carnations, encircled by purple statice and wild straw flowers.

The best man was James Todd of Minden, and the ushers were Larry McKnight, also of Minden, and Lieutenant Richard Bowers of Halifax.

For the reception at the Wagon Wheel Motel the bride's mother received wearing a tangerine crepe dress with black accessories, and a corsage of zorina sweetheart roses.

The bride wore a rust fortrel dress with white carnation corsage and brown accessories for the honeymoon, a motor trip to their new home in Victoria, British Columbia. The newlyweds visited Calgary en route where the groom's parents received them at a family reception.

Out of town guests were from Toronto, Kingston, Mount Forest, Ottawa, Bobcaygeon, Lindsay, Cobourg, Kirkfield, Brampton and Halifax, Nova Scotia.

WEST GUILFORD

Mr. and Mrs. Murray Davis and father were weekend visitors at their summer home on the Irish Line.

Miss Peggy Sawyer and friend Julie Garman of Bramalea were weekend visitors at Peggy's home.

Mr. Tom Barry of Toronto spent a few days with his parents.

Miss Jean Boice is spending a work week from school in Bramalea.

Mrs. Vi Smith, who is doing a very good baby-sitting job with three small children in Willowdale, was home for the weekend.

Once again deer hunting season has come and gone, and most camps report a very good first week but a sad second.

ELVA V. BATES, Returning Officer,
Township of Glamorgan.

UNCLE DUDLEY'S COLUMN

HOW TO DEAL WITH THE INSISTENT SALESMAN

You may remember when this country and almost all rural communities had their favourite pedlars. They served a useful purpose, bringing to the door some commodities that saved the isolated folk some valuable time — usually their products were very good and the prices fair.

Today's salesman is a different type, quite often trained by his company to give a lengthy spiel setting out the advantage of purchasing his product.

A few weeks ago we had a call from a salesman selling metal siding. I thought it well to let him run down a bit; this procedure somewhat weakens them and gets the hot air cleared, and then you develop your plan of defense.

CARNARVON

Mrs. Lidster and Mrs. Gorrie attended a Teachers' Convention in St. Catharines last week.

Mr. and Mrs. Cecil Irwin have left for Africa where they will visit with Mrs. Irwin's sister, Mrs. Monkton, who was here some time ago and will be remembered by folks in Carnarvon. Mr. and Mrs. Clayton Rogers will be in their home while they are away.

Mr. and Mrs. Ross Harrison have left for their home in Fort Meyers Beach, Florida.

Mrs. Stult was in Toronto for a few days last week and visited with Mrs. Pounds.

Mr. Bruce Allcorn, son of Mr. and Mrs. Gordon Allcorn, has been taking a course in Toronto and came up to visit with his folks over the weekend. Bruce has been flying in the Arctic.

Mr. David Mitchell who was a summer resident on Little Boskung for a number of years passed away in Toronto on Monday, November 9. Mr. and Mrs. Bud Medley were down to visit with Mrs. Mitchell on Sunday.

Al and Peter Miscoe of Hamilton were here all last week for the hunting.

At Max and Bill McKay's hunting camp they got six moose. Congratulations.

Mr. Laverne Thomas from Peterborough was here for the weekend.

Ken and Laurie McKay and David Nasolok of Toronto were weekend guests at the home of Mr. and Mrs. Max McKay.

After he paused for a breath I felt it a good time to let go the first shot, explaining that I had given the house a two-coat job of a good outdoor paint a year or two ago, and I did not intend to lose the value of this outlay by covering it. I also suggested that an outlay of \$1,000.00 or \$1,200.00 for the siding must come from my capital account, not my income, and I could ill afford to assume this cost. He began to feel sorry for me — a good sign.

Rather timidly he asked if he might measure the house, to which of course I readily agreed; of course I knew the size of the house, having lived here some 50 years. Of course, I still insisted there was no chance of a sale.

By this time I could perceive that he was getting a bit weaker, and he asked if he may return a few days later as I gave it further thought. My reply that my thinker was working quite well was it as I had found the answer (without computer help) and I am still reluctant to part with my hard-earned shekels for this project.

By this time he was well drained out of talk and no more argument in favour was at ready hand so he quietly withdrew. If he had not stayed so long he might have merited a cup of tea, but as it was he lost out. Up to this date he has not been back.

All for now, see you next week. Peace be with you!

NIGHT SCHOOL

An additional course is being offered in conjunction with the Night School Classes at the Haliburton Highlands Secondary School. This course is being sponsored by Haliburton Highlands Chapter of Evangelical Fellowship of Canada. It is especially designed for those interested in teaching or in leadership positions in their churches. However, everyone is welcome — interdenominational materials used. Fee \$2.00.

Come to the opening night of Night School or contact:
Miss Cathy Sisson, Haliburton, Ontario.

H.H.S.S. YEARBOOKS.

Ordered YEARBOOKS must be picked up before Friday,
November 27. After this date any remaining Highlander '70's
will be resold.

Townships of Sherborne, McClintock & Livingstone APPLICATIONS

Applications will be received until 5:00 p.m., Eastern Standard Time, on Saturday, December 12, 1970, for the position of CLERK-TREASURER AND TAX COLLECTOR for the Townships of Sherborne, McClintock and Livingstone. Please state qualifications and salary expected. Duties to commence January 1, 1971. Address your letters to: "Application", Township of Sherborne, etc., Box 98, Dorset, Ontario. Lowest or any application not necessarily accepted.
HAZEL W. SEARS, Clerk-Treasurer.

NOTICE

For the purpose of snow removal All Night Parking is prohibited on Highland Street, Mountain Street and Maple Avenue in the Hamlet of Haliburton.

Vehicles obstructing the above will be towed away.

MUNICIPALITY OF DYSART ET AL.

GOODERHAM

Mr. and Mrs. Crawford Sheir were visitors at their summer cottage; and also from Toronto was Miss Christina Pickens at the home of her parents, Mr. and Mrs. Dailyn Pickens.

Mrs. Clarabelle Sheehan of Hamilton was a visitor with the Barrs on the weekend.

We are sorry to report that Mr. Robert Fotheringham is on the sick list. Who will bake the bread, Bob?

Mr. and Mrs. Merle Pickens of Cochrane, Ontario, were guests at the home of Mr. and Mrs. J. E. Pickens last week.

Mrs. William Grylls of Whitby spent the week with Mrs. Theo. Peacock.

Mr. and Mrs. Dennis Paul and son of Lindsay were visitors at Mr. and Mrs. Albert MacDuff's home on the weekend.

Mrs. Beatrice Hillis, Mrs. Marjorie Billings and Mrs. Willard Billings of Gooderham and Mrs. Walter Duffy of Kinmount were visitors in Lindsay on Friday.

Mrs. Glen Billings has returned home from the Minden Hospital, and is feeling much better.

Mrs. Robert Madill and Mrs. Gordon Billings were business visitors in Minden on Saturday.

Mr. and Mrs. Glen Billings and Danny and Mrs. Marilyn Billings and family were visitors in Minden on the weekend.

The sudden passing of Mr. Gordon Billings shocked the community on Wednesday, November 4.

Mrs. Wayne Stoughton and Terry, also Mrs. Sharon Hunter, were visitors in Lindsay on Friday.

The United Church Women held a Hunters' Supper and it was well attended.

Mr. and Mrs. Glen Maddison and family of Detroit, Michigan, were visitors at Mr. and Mrs. Glen Bird's home.

Mr. and Mrs. G. W. Barr attended a Centennial Banquet of L.O.L. No. 537 at Ottawa on Friday night, and also a County Lodge Rally at Smiths Falls on Saturday night.

At time of writing four moose have been shot in our town, Mr. William Kendall's gang and Mr. J. J. Hunter's gang.

MINDEN

Margaret McCallum and Marilyn Bagshaw spent last Tuesday with Sarah McCallum of Kirkfield.

Sincere sympathy of the community is extended to the family and friends of the late Mrs. Tom Duncan who passed away last weekend.

Mrs. A. S. Kernohan spent a few days this week with Mr. and Mrs. Tom Parrish and family in Scarborough.

Mr. and Mrs. Jim Stevenson of Oshawa spent the weekend in the village and called on his mother at the Hyland Crest Home here.

Mr. and Mrs. Lawrence Upton of Toronto spent a holiday in the village.

Mr. and Mrs. John Clarke of Toronto spent the weekend with his parents, Mr. and Mrs. P. Clarke.

Congratulations to the newlyweds Mr. and Mrs. Peter Robertson (nee Darlene Austin) and to Mr. and Mrs. David Hillson (nee Nancy Lee Sisson) whose weddings were last Saturday.

Patients at the local Hospital early this week were Mrs. Gladys Waters, Mrs. Lila Rogers, Mrs. Loretta Palmer, Mrs. Bessie Dummitt, Cecil Stamp and Victor Alsop.

HALIBURTON

Mr. Ivan Hagerman of Downsview was hunting in the area for a few days last week.

Miss Lottie Whittaker of Priceville spent last week with Mrs. Chester Kellett.

Mr. Ron Elstone of Ottawa was a visitor to his home here over the weekend.

Mr. Herb Baker returned home to Oakville after doing some hunting in the area.

Patients at the Red Cross Hospital in Haliburton this week are as follows: Mr. Roy McPhail of Maple Lake, Mrs. Ruth Hounsell and Mr. James Hie of Minden, Mr. Ben Varty of West Gullford, Mr. George Brennan and Mr. Harold Austin of Haliburton.

Recent visitors of Mr. and Mrs. Mendal Smith were Mr. Ross Walker of Thunder Bay, Mr. John Walker of London, Mr. Art Woodhouse of London, Mr. Hal Kinlack of Kitchener, and Mr. Ken Ryan of Toronto.

CARD of THANKS

I would like to thank all who sent cards, for telephone calls, those who came to visit me, and all who helped in any way; also thanks to Dr. Good, Dr. Christiansen, Nurses and Staff for the care and kindness while I was in Haliburton Red Cross Hospital. And a special thank you to the Harcourt Community Centre for the beautiful flowers sent to me. Victoria A. Tompkins.

The family of the late Francis J. Bates wish to thank all those friends and neighbours who so thoughtfully provided comfort during our recent bereavement by their many kindnesses and floral tributes.

IN MEMORIAM

FLEMING - In loving memory of a dear mother and grandmother, Annie Fleming, who passed away November 23, 1966. Though her smile is gone forever And her hand we cannot touch, Still we have so many memories Of the one we loved so much; Her memory is our keepsake With which we'll never part, God has her in His keeping. We have her in our hearts. —Always remembered by daughter Helen, Bernard, Gail, Lynnda and Dawn.

NEWBATT - In loving memory of our dear mother, Elmona Idrene, who passed away November 27, 1969. There's a sad but sweet remembrance, There is a memory fond and true, And a token of affection, Mother, And a heartache still for you. —Sadly missed by Sons-in-law, Daughters-in-law, Sons, Daughters and Grandchildren.

SAWYER - In loving memory of our dear mother, Mrs. Elizabeth Sawyer, who passed away November 20, 1966; and our dad, Henry Sawyer, who passed away February 25, 1949. Asleep in God's beautiful garden, Sheltered from sorrow and pain, Safe in God's wonderful keeping Until we shall meet again. —Lovingly remembered by the Family.

VENTRESS - In loving memory of Curtis Ventress, who passed away November 16, 1965. This month comes with deep regret, It brings back a day we shall never forget, While he lies in peaceful sleep His memory is our keepsake. —Lovingly remembered by his wife Myrtle and Family.

Notice to Creditors AND OTHERS

All creditors and others having claims against the Estate of **DANIEL GAINFORTH**, late of the Township of Dysart, County of Haliburton, Labourer, who died on or about the 22nd day of September, 1970, are required to file particulars of such claim with the undersigned before the 28th November, 1970. And take notice that after such last mentioned date the said applicant will proceed to distribute the assets of the said Estate, having regard only to the claims of which he shall then have notice. Dated October 4th, 1970. G. W. Barr, Gooderham, Ontario.

C.ofC. Directors Hold Meeting At Haliburton

The Directors Meeting of the Haliburton Highlands Chamber of Commerce was held at the Community Centre in Haliburton on Wednesday, October 28, 1970, at 8:00 p.m.

MINUTES

Present were Mrs. Kirkwood, Mrs. Dawson, Messrs. Wright, Coburn, Stamp, Ward, Henry, Wilson, Robertson, Freeman, Palmer and Poole. Absent were Mrs. Wimmer, Messrs. Hyde, Agnew and Breakenridge.

The guest was Mr. Don Goodwin of the Department of Tourism and Information.

Mr. Carman Wright, President, was in the chair, and the meeting was called to order at 8:15 by the Chairman.

It was moved by B. Henry, seconded by E. Palmer, that the minutes be adopted as circulated; there were no errors or omissions. Carried.

Business Arising From Minutes

Sergeant Wood had again been contacted re 24-hour protection in this area, and he had informed us that extra men during the summer was out of the question at present as far as he was concerned.

It was moved by R. Freeman, seconded by B. Dawson, that a request be passed on to Commissioner Silk of the Ontario Provincial Police for additional police protection in this area, particularly for that time between 2:00 a.m. and approximately 8:00 a.m. when there are no officers on patrol checking properties during the summer months. Carried. Copies of the letter to Commissioner Silk are to go to Glen Hodgson, M.P.P., and to Attorney General Wishart.

A long discussion on placements was the next item of business and many samples were shown by the Secretary-Manager. The Secretary-Manager is to contact other printers for prices and check with Cardel Sales Ltd. for colour range and completed print; this to be done by the next meeting.

A letter was received from Nina Reynolds requesting information on the type of material she was to prepare for the Chamber. Mr. Wright explained to the Board a reply letter written to her by the Secretary-Manager in which it was stated we were interested only in the promotion of her book "In Quest Of Yesterday" and that the Chamber was taking a more modern approach in their marketing plans in the future.

Mr. Campbell read the brief submitted by our Chamber to the Honourable James Auld re the White Paper on Regional Tourist Councils and the reply sent from Mr. Auld thanking us for our time and consideration.

New Business

It was moved by B. Dawson, seconded by R. Freeman, that Mr. Don Goodwin be appointed as a representative of the Department of Tourism and Information a voting Director of the Haliburton Highlands Chamber of Commerce. Carried.

The Lure Tour Book of the Alex Wilson Publications was passed over to the Advertising Committee under Mr. Ward for close scrutinizing and comments; this is to be done within two weeks.

New Members

The Secretary-Manager presented the following list of applications of new members: Knight-Martin Carpet Ltd., VanZeyl's Restaurant, Kashagawi Snack Bar, Robinson's General Store, Bell's Bakery, Haliburton School of Fine Arts, Mr. R. Dollo, Cedar Villa Resort, Deep Bay Resort, Sandy White Woollens.

Moved by E. Palmer, seconded by R. Poole, that the 10 applications for membership in the Chamber of Commerce be accepted. Carried.

The following report was given by Ted Campbell to the Directors on his activities: Wrote Minutes and distributed by September 13; Signed off Norman Craig with thanks of Chamber of Commerce; Arranged payment of advertising through Department of Tourism and Information for television shows and newspapers; Arranged with Kinsmen at two meetings winter activities for snowmobile carnivals; Attended two Co-ordinating Council meetings, one in Peterborough and one in Hal-

iburton; Wrote White Paper brief to Minister of Tourism and Information; Have seen 87 per cent of members; Members up 19 per cent; ten new members this month; Promoted animal park at four meetings; Attended Huronia and Kawartha Annual Meetings; With John Holden, Director of Tourism and Information, for three days in Toronto re new advertising and promotion for area; Half day with Dr. Harold Cummings, Director of Fish and Wild Life Branch, Department of Lands and Forests, Toronto; Arranged bus tour and film entertainment afterwards; Arranged snowmobile feature article in Toronto Life Magazine on Haliburton Wild Life Reserve and Winter Carnivals in County; Met train in Haliburton on behalf of Chamber of Commerce - 418 people; General office work and promotion.

Finances

Moved by B. Henry, seconded by M. Robertson, that the bills be paid as presented. Carried. Bell Canada \$52.14, Gestetner \$21.26, Minden furniture \$10.48, Floyd Hall Ltd. \$25.00, Crest Hardware \$1.01, J & K Office Supply \$35.36, Minden Progress \$29.40 and \$2.00, Sam Welch Ltd. \$5.25, Haliburton County Echo \$2.00, Minden Plumbing & Heating \$22.00, CKVR-TV \$155.00, Ted Campbell (mileage) \$121.33, M. L. McKay (postage) \$3.17 — Total \$485.42.

A lengthy discussion followed on the finances of the Chamber. The Finance Committee is to arrive at a budget by projection for the next meeting of the Board. This is to give us an idea of our budget for the coming year.

It was also discussed if we should change the year end to September with the Annual Meeting at that time as the surrounding areas (Kawartha, Huronia and Muskoka) or leave it. The Special Developments Committee under Bob Freeman is to investigate and report.

It was also decided that a strong appeal would be made to the local municipalities and the County Council during the winter for increased grants. Secretary-Manager reported that Haliburton had the lowest support of any area group from their Council. He also pointed out that the dollar income per capita here, for local people from tourism, was among the highest in Ontario.

It was also pointed out that the Chamber of Commerce was the only means of advertising that the County had, and there was unanimous agreement on this by the Board.

Mr. Campbell then presented the new design he had done in Toronto and explained its uses. The Board thought it was a good idea for a new approach. Any members who wish to see the brochures may view them at the Office.

Due to financial reasons the Information Booth will only be open during the winter on Monday, Wednesday and Friday between the hours of 10:00 a.m. and 1:00 p.m. Anyone wishing information or wanting to see the Secretary-Manager should visit or phone between these hours.

The film on Haliburton was shown to the Directors and the Secretary-Manager explained it would be used on many occasions to promote tourism in this area.

Mr. Wright and Mr. Campbell have been invited to attend the Annual Meeting of the Haliburton Highlands Cottagers' Association in Toronto on November 5, 1970. It was decided by the Board that we should attend as these people account for over 50,000 residents in the summer and pay considerably more than half of the municipal taxes in the County.

It was moved at 11:15 by E. Palmer, seconded by R. Poole that the meeting adjourn. Carried.

NIGHT CLASSES
Haliburton Highlands
Secondary School

The Haliburton County Board of Education will conduct evening classes for adults in all or some of the following subjects provided a sufficient number of candidates apply and instructors are available. The Principal reserves the right to combine or cancel courses if an insufficient number apply or if a satisfactory teacher cannot be obtained.

- | | |
|--|---|
| (a) Any course for which 15 people register provided a teacher is available. | 7. Electricity For Beginners |
| (b) 1. Music Appreciation | 8. Welding |
| 2. Conversational French | 9. Construction Drawing and Blueprint Reading |
| 3. Typing | 10. Sewing and Dressmaking |
| 4. Carpentry | 11. Driver Education |
| 5. Auto Mechanics | 12. Physical Fitness |
| 6. Civics (Mr. McNeill) | |

Individuals wishing to enroll in one of the preceding courses should complete the form below and return it to Haliburton Highlands Secondary School, Box 507, Attention Night School, by November 23, 1970.

Courses will be no less than 10 weeks in duration and will be held on evenings desirable to the majority registering for a class.

A fee of \$5.00 is charged for each course taken except Driver Education. The fee for Driver Education will be \$25.00. This fee will be collected on the first night of instruction. Fees shall be refunded if an insufficient number enroll for the course. There may be an additional fee charged in some courses if special texts or equipment is required.

Unless fifteen candidates register, a course cannot be offered. Individuals will be notified as courses become filled and available. The probable date of commencement of Night School courses will be November 26, 1970.

Cardiff Township
Council Minutes

The Municipal Council of the Township of Cardiff met in the Municipal Office on November 3, 1970, with all members present.

Moved by Ruthven, seconded by Peel, that the Minutes of the last meeting held on October 6th, 1970, be adopted as read.

Moved by Lewis, seconded by Ruthven, that the Clerk receive the correspondence and items of business discussed and approved and to proceed to file, contact and finalize as required.

Moved by Ruthven, seconded by Peel, McBride and Lewis, that a By-Law to increase the Road Superintendent's salary to \$6,000.00 per annum, plus expenses and .10c per mile for use of personal vehicle, and to be retroactive and effective as of October 1st, 1970. Read a first, second and third time and passed, signed, sealed and numbered 23-70 on the 3rd day of November, 1970. Malcolm McGillivray, Reeve, Gordon C. Fenwick, Clerk.

Moved by McBride, seconded by Peel, Lewis and Ruthven, that a By-Law to close the existing portion of the roadway, namely the former portion of McGillivray Road, situated in Lot 23, Concession 7, in the Township of Cardiff, being the old part of roadway supplemented by the new portion recently built. Read a first, second and third time and passed, signed, sealed and numbered 24-70. Malcolm McGillivray, Reeve, Gordon C. Fenwick, Clerk.

Moved by McBride, seconded by Peel, be it resolved that we pay Frank Grant (Fire Warden, 1970) the sum of twenty-five cents for each Fire Permit issued providing that he shows proof to the number of Fire Permits issued for the current year 1970. Malcolm McGillivray, Reeve.

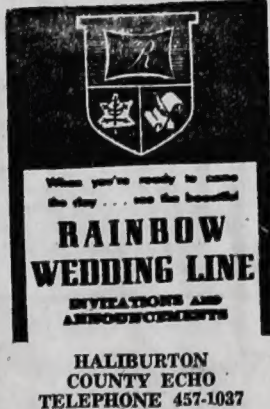

Moved by Ruthven, seconded by McBride, be it resolved that the Council of the Township of Cardiff approve the Application for Consent under Section 26 of the Planning Act to convey or grant an interest in land by the grantor Mrs. Hazel Ellis of R.R. No. 3, Bancroft, Ontario, of proposed parcel known as Part Lot 26, Concession 5, Registered Plan Highway 2386-22 in the Township of Cardiff, as set forth in outline on map attached. Dated at Peterborough, 22nd November, 1944. Malcolm McGillivray, Reeve.

Moved by McBride, seconded by Lewis, be it resolved that we request the Department of Municipal Affairs to arrange a meeting to be held in the Township of Cardiff Municipal Office regarding a plan for the Township of Cardiff pertaining Sub-division Control, at the earliest possible date as we are holding up certain sales of lots to the residents of this community and that is all we have to sell. Malcolm McGillivray, Reeve.

Moved by Ruthven, seconded by Lewis, that the Clerk be authorized to subscribe for the Bancroft Times and the Haliburton County Echo and to have same available in Municipal Office for reference purposes. Malcolm McGillivray, Reeve.

Moved by Ruthven, seconded by Peel, that the following accounts be paid: Municipal Voucher No. 10 for \$1,555.17 and Road Voucher No. 10 for the amount of \$5,642.28. Malcolm McGillivray, Reeve.

Moved by McBride, seconded by Lewis, that we adjourn this meeting and meet again on the 2nd day of December, 1970, or by call of the Reeve, the meeting to be held at 7:30 p.m. in the Municipal Office on McGillivray Road. Malcolm McGillivray, Reeve.

Stanhope Township Council

Minutes of the Stanhope Council meeting held on November 4, 1970, with all members present.

Moved by Ken Whitney, seconded by Jim Harrison, be it resolved that the Minutes of the meeting of October 5th, 1970, be adopted as read. Carried.

Moved by Jim Elder, seconded by Jim Harrison, be it resolved that the Clerk write Mr. Don Berry (Minden Postmaster) advising that all municipal roads will be plowed and sanded. Carried.

Moved by Ken Whitney, seconded by Jim Harrison, be it resolved that authorization is given to the Clerk to contact the Minister of Lands and Forests re the using of the Stanhope Airport as a landing base. Carried.

Moved by P. H. Richardson, seconded by Ken Whitney, be it resolved that the Building Inspector be instructed not to issue Building Permits for any type of multiple dwellings without referring them to a regular meeting of Council. Carried.

Moved by Ken Whitney, seconded by Jim Harrison, be it resolved that the Council donate a wreath to the Legion for presentation on November 11, 1970, on behalf of the veterans of Stanhope who gave their lives in service of their country. Carried.

Moved by P. H. Richardson, seconded by Ken Whitney, be it resolved that the Township Clerk contact Mr. H. Woods, Mrs. Doris Robinson and Mr. Goodyear with a Voters' List, dates of Nomination Meeting, Advance Poll and regular Election Carried.

Moved by P. H. Richardson, seconded by Ken Whitney, be it resolved that Mr. Donald Cox be notified that the Township has assumed the Highland Road and that if he will bring his road up to the standards of the Department of Highways the Township, with the approval of the District Municipal Engineer, will assume his section of the road. Carried.

Moved by P. H. Richardson, seconded by Ken Whitney, be it resolved that Mr. V. M. Hewson be invited to the next Council meeting at which time the Council will make a request for a grant in lieu for the taxes lost under Section 43 of the Assessment Act. Carried.

Moved by Ken Whitney, seconded by P. H. Richardson, be it resolved that the Township Clerk write the Minister of Transport, the Honourable Irwin Haskett, sending him the cost of the expropriated property. Carried.

Moved by Jim Harrison, seconded by J. Elder, be it resolved that the Clerk be authorized to

contact the District Municipal Engineer, R. B. Allison, to inquire if the grant for the new bridge over the Gull River, Lot 30 - 31, Concession 5, will be allowed for 1970. Carried.

Moved by P. H. Richardson, seconded by Ken Whitney, be it resolved that the Clerk write to H. J. Christian, Parks Assistance Officer, asking for recommendations as to consultants to draw up plans for the Hawk Valley Park. Carried.

Moved by Ken Whitney, seconded by Jim Elder, be it resolved that the Township Clerk contact William Scott, M.P., pertaining to a grant for the dredging and a boat railroad track system to be used in the river across from the Municipal Office at Maple Lake to Beech Lake. Carried.

Moved by Jim Harrison, seconded by Jim Elder, be it resolved that the Clerk be authorized to write R. S. Chapman, District Engineer, re stumping and grubbing Highway 35 from Buttermilk Falls south for the purpose of creating winter work, also to speak about the hill in front of Loralee Lodge on the Hawk Lake Road as water is washing out the road. Carried.

Moved by Jim Elder, seconded by Jim Harrison, that we donate \$100.00 to the Minden Agricultural Society. Carried.

Moved by P. H. Richardson, seconded by Jim Elder, be it resolved that a letter of thanks be forwarded to R. Glen Hodgson, M.P.P., and the Honourable George A. Kerr, Q.C., for the grant of \$4,000.00 for the improvement of the Park on the Kennis River, same to be known as the Hawk Valley Park. Carried.

Moved by Jim Harrison, seconded by Ken Whitney, be it resolved that the Accounts amounting to \$94.16, October Welfare \$252.64 and Road Voucher No. 10 for \$5,587.30 be allowed for payment. Carried.

By-Law No. 70-4 to close that portion of side line between Lots 10 - 11, Concession 9, was read the third time and as no complaints were entered against same it was passed.

By-Law No. 70-17 for the purpose of appointing the firm of Totten, Sims and Hubicki to prepare a comprehensive Restricted Area (Zoning) By-Law for the Corporation was passed.

Moved by Ken Whitney, seconded by Jim Harrison, be it resolved that this meeting be adjourned at 4:30 p.m. with the next meeting to be held at 9:00 a.m. on Wednesday, the 9th day of December, 1970, unless called sooner by the Reeve. Carried.

Township Of Stanhope Council
Arrange For Zoning By-law

The regular meeting of the Council of the Township of Stanhope was held on Wednesday, November 4, 1970.

The meeting was called to order by Reeve Sinclair Nesbitt. There was full attendance of Council with Deputy Reeve James Elder and Ken Whitney, James Harrison and P. H. Richardson, Councillors.

The routine business was disposed of at the early session.

Some representation of a proposed development on Lake Kushog was brought to notice, but no action by Council could be taken as no zoning by-law is in effect.

Mr. Welch reported that by some special help and strenuous work on the part of the Clerk and Assistant the Voters' List was in the hands of the printers and that it should be ready for use in the 1970 election.

A letter of approval for further development of Kennis River Road where a 32-acre park development has been started was received. The amount of the

grant for early expenditures to the extent of \$4,000.00 was obtained from the Parks Branch by local M.P.P. Mr. Glen Hodgson, and the thanks of the board is extended to him. This area will be designated as "Hawk Valley Park", and a like amount will be expended by the municipality.

The Highland Road is to be taken into the Township road system when brought up to Department specifications.

The Nomination Meeting will be held on November 23 from 7:00 to 8:00 p.m. at Club 35, Hall's Lake. If an election is called the Advance Poll on Saturday, December 5, will be at the Municipal Office only, with the regular Election being held on Monday, December 7 with No. 1 Poll at the Municipal Office and No. 2 Poll at Club 35, Hall's Lake. The present Council wish to make clear that they are willing to continue in office for another two-year term if endorsed by the ratepayers.

This decision was a difficult one to make but owing to the fact of unfinished business and more particularly the matter of zoning and further development on the Hawk Valley Park, also the further work in connection with the Airport, it was felt unfair to leave this business to a new and probably inexperienced Council, so it is expected zoning will be completed within eight months when the matter of permits for permanent homes will be much simplified.

The next meeting of Council, unless some change necessary, will be held on Wednesday, December 9, 1970, at 9:00 a.m.

Clayton P. Rogers.

Minden W.I. Hold October Meeting

The members of the Minden Women's Institute met at the home of Mrs. Lyman Cox for their October meeting, with Mrs. P. Clarke presiding.

After the usual opening exercises, the President requested that in view of the dreadful happenings of the past few weeks we pray for those involved by repeating the Lord's Prayer.

Twenty-one members answered the roll call by handing in their family history and a picture for the Tweedsmuir Book. Those who didn't paid a fine of .25c.

The minutes were signed as correct and the correspondence was read.

Mrs. Lyman Cox was our delegate to the Area Convention in Toronto with Mrs. F. Buttior as the alternate. It was decided not to participate in the Training School to be held in Lindsay in November.

The Treasurer, Mrs. A. S. Kernohan, gave her report which showed a substantial sum on hand and she also read the report of cards sent out. The collection was taken for this fund and the "Pennies for Friendship" collected. It was moved and seconded that we donate \$20.00 to the Minden Agricultural Society.

The members who took part in the "Butter Making as Grandmother did it" demonstration at the International Ploughing Match held near Lindsay reported a very busy and interesting day. "Happy Birthday" was sung for three ladies who gave their birthday pennies.

Tickets were sold on a small draw, netting \$2.70 for the treasury, with Mrs. Clarke being the winner.

Mrs. James Fairfield, Convenor of Historical Research, gave us a paper on her trip to Thunder Bay in her usual fine way.

The next meeting will be at the Hyland Crest Home, Minden, at 7:30 in the evening on the usual date.

The meeting closed with the National Anthem and W.I. Grace and was followed by a delicious lunch served by our hosts and the committee.

MINDEN

(Intended for Last Week)

Mr. and Mrs. Phil Robinson attended the wedding of his nephew, Mr. Gary Hamilton, to Miss Carol Parkin at Cameron.

Mr. and Mrs. C. Pipher are pleased to welcome old friends Mr. and Mrs. Charles Roberts of Pleasantville, Nova Scotia, and formerly of Hamilton, who have come to live with them.

This Saturday another of our senior citizens will celebrate her 92nd birthday, with congratulations to Mrs. James Fairfield on this happy occasion.

There was a large crowd at the annual Anniversary Dinner at St. Paul's Anglican Church last Wednesday when all enjoyed the delicious turkey dinner.

We learned on Monday that Mr. Lawrence Pritchard has returned to the Civic Hospital in Peterborough for further surgery. His daughter, Mrs. Gerald Lougheed, spent Saturday with them.

Mr. and Mrs. Angus Coulter were Sunday guests with Mr. and Mrs. Abe Upton at Utterson.

Mr. and Mrs. H. Gibson and Mrs. Vera Cowen spent the weekend in Toronto.

Mrs. Edith Welch is presently away on a holiday with her son Gerald in Florida.

Miss Carrie Jones had a few enjoyable days in Toronto and while there attended the Area Convention of the Women's Institute at the Royal York Hotel, and also had kind attention all one day in the Sunnybrook Hospital and visited with cousins.

Patients at the local Hospital on Monday were Mrs. Lila Rogers, Mrs. Jean Roberts, Mrs. Gladys Waters, Mrs. E. Dummitt and Mrs. Agnes Duncan.

Mrs. Lyman Cox and Mrs. M. Sears were at the Women's Institute Convention at the Royal York Hotel in Toronto last week where Mrs. Cox was the delegate, and both enjoyed this splendid meeting which had 400 ladies present.

Christmas Seals**

It has been brought to our attention that some people in Haliburton County have received Christmas Seals stuck together. The high humidity of the past few months has been the culprit in this case, and may we suggest you carefully separate your sheets keeping in mind that invisible glue is used on the back, salvaging as many as possible for your holiday mail.

We have a further supply of Seals and we can fill your requirements; please call Minden 286-2669 or Haliburton 457-2455.

Christmas Seals brighten up all your holiday cards and mail, but even more important they spell a brighter future for all of us. They are hard at work fighting emphysema, tuberculosis and other respiratory diseases.

Thank you for your tolerance and understanding in this regrettable situation.

Sincerely,

STEVIE WADDELL, Campaign Chairman of
Haliburton Tuberculosis and Respiratory Association.**Report Of The Stanhope Airport Committee**

Nov. 1, 1969, to Nov. 1, 1970

Last year at the Stanhope Nomination Meeting I made a brief report dealing mainly with financial matters. Afterward it was brought to my attention that those present would have liked to hear more details about the Airport and the work of the Committee, so I hope this report will prove to be of interest to the ratepayers of Stanhope Township.

First of all, let us deal with the Committee and how it functions. The present Airport Committee includes a President, Vice President and five other members who were elected last fall from among those who had been active around the Airport — student pilots, former Committee members, etc. A set of By-Laws were submitted to the Council for approval. Under the terms of those By-Laws the Secretary-Treasurer is appointed by the Council, and is required to report to its monthly meetings. I am honoured to have been so appointed for 1970, and have tried to carry out the duties in a responsible manner. I must say here that the Committee has worked as a very good team, everyone pulling their weight and with no dissension among us at any time. This goes for good work and good results, and I think we can claim that.

The Committee looks after the general maintenance of the Field, initiates volunteer work parties to carry out the various jobs, maintains communication with both the Federal and Provincial Departments of Transport, and carries out any instructions from them. It looks after publicity, arranges for flight training and ground school, organizes Fly-Ins and other money-raising affairs. Proposals for any projects are submitted to the Council for approval, and invariably we have received their advice and help. Councillor Ken Whitney has represented the Council on the Committee and has given freely of his time and effort in the various tasks.

To look at some of these items in detail:

Publicity: Recognizing the need for more publicity, last fall our Publicity Director appealed to the County Council for help, and they voted a donation of \$100.00. We have used it for publicity in the Minden Progress, Haliburton Echo, the Chamber of Commerce, and the Aviation Calendar of Events in "Canadian Flight". We also prepared the article "Wings Over Haliburton" and submitted it to "Canadian Flight". It appeared in the January-February issue of the magazine, which, by the way, has a very wide circulation throughout Canada and parts of the United States. The Haliburton Echo reprinted it a while ago, and the Chamber of Commerce have asked permission to use parts of it for their next brochure. Its publication brought

us many enquiries, and quite a number of visitors.

The Fly-Ins: This past summer two Fly-Ins were held, complete with Beef Barbecue. The Pilots' Spring Fly-In on May 3rd was very successful, and the pilots so enthusiastic about the Airport that we were greatly encouraged. Later we were asked if the Aerobatic Association could use it for their Ontario competition. The Council agreed and the competition took place on July 1st. For the Summer Fly-In we made plans for a very good program, but with rain and heavy fog in the morning it was not possible for the participants to get here. However, the afternoon turned out fine, and although we didn't make much profit neither did we lose, and those who were there really enjoyed themselves.**Flight Training and Ground School:** For two years we have had an arrangement with Air Muskoka to conduct flight training for us, and there has always been a good contingent of students. Air Muskoka is a Department of Transport recognized Flying School, and they have sent us well qualified instructors for one day a week. Concurrent with actual flying instruction, the student must take 20 hours of Ground School instruction which includes Theory of Flight, Aero Engines, Meteorology, Navigation, Rules of the Air and Air Safety, Radio, and Airmanship. The student must write and pass a three-hour examination on these subjects under a D.O.T. examiner, before he can obtain a license. The second term of Ground School commenced last January, and sixteen students registered for the course.

What has been the positive results of this activity? In looking over the Pilots' Register, we find that this past summer planes came in from 122 different points in Ontario, three from Quebec, two from British Columbia, and five from the U.S.A. We know there were more, but the pilots cannot register when the building is closed. Some who came stayed a few days or a week, and we were able to find them accommodation, direct them to restaurants, and so on.

In terms of business, while the volume may not be considered great, it is indicative of what might be expected in the future with continuing good work and further development of the Airport. We were able to direct business to some 25 local concerns during the year.

This year we carried out some improvements and overcame some difficulties, one of which was the lack of water. So we had a well dug, tiled, and equipped with a hand pump. The heating problem was overcome with the donation by one of our members of a space heater. We purchased a 200-gallon tank and fittings, and another of our members donated his time to hook it up. We finished panelling the inside of the building, and painted the outside, as well as painting the name on the roof visible from the air. Two new toilets were built. The runway was seeded and a 10-foot radius of dolomite placed at the base of the wind sock pole, the dolomite having been donated. The following statement of monies raised and spent by the Committee covers the above projects:

Bank Balance at
at October 31st, 1969 ... 84.55**INTERLOCK SEPTIC TANKS**
Patent Pending

Now with improved Interlock and 1/2" and 3/4" Reinforcing and Vibro-Press Concrete, better tanks in the long term, as other tanks.

Tanks can be increased to bigger sizes in years to come as your business grows, or your family, by adding sections to it.

Tanks from 200 Gallon to 12,000 Gallon and more — big tanks have center supports for lids.

We fit any requirement, on any location, without the use of cranes or heavy equipment.

We can supply and install single, double or multiple Baffel Tanks, Cess-Pools, etc.

Our plans for next year, while not yet finalized, include improvement of the runway, increased publicity, at least two Fly-Ins. The formation of the new Stanhope Flying Club is a forward step, and with their help we hope to improve the flight training program. We have had an enquiry regarding training for a group of university students and will try to work out some sort of block plan for them.

In conclusion I must say that the things which were accomplished this year would not have been possible without the help of the many residents who see the benefits inherent in the Airport. In the beginning we tried to send each one a letter of thanks, but the number has grown so that it is not possible to do that now, so to all those friends and neighbours who have helped us in any way we extend a hearty thanks.

This summer the Airport has proven itself, and I'm sure I express the feelings of the Committee as a whole when I say we feel proud of the results of our work, and we hope that the people of Stanhope will share our pride, and our confidence that 1971 will see greater developments to the benefit of the whole County.

Louise Watson,
Secretary-Treasurer,
Stanhope Airport Committee.

**Reflections:
Ad Nauseum?**

**THE FALSE GRATIFICATIONS
OF A GRADUATING CLASS**

(To what 'tis s'posed to be, I know not. I benefitted not from it.)

Let the bagpipe play on ... and on ...

We beseech thee, O God, to save our parting souls.
Superfluous verbage, O Aristotle, thy deeds undone!

Wasn't not but a paarde of fools,
On stage ... on show ...
Where all could, but with one blow
Destroy ... kill ... rid the world of us?

Flashing bulbs, a look of pretended happiness,
"You may now be seated," as one and all

Return to his/their seat "aux culs enguordis".

The political future rests in your hands.

Does it? - Sermon from the lecturn by Mr. D. B. Sutherland.
Hail, all fallen heroes of "13".
Gaudeamus Igitur - why?
Isn't with these words a tune goes also?

(Repeat of verse two, but with a different cast.)

Again the bagpipe plays on ... and on ...

To those of you who did not attend: You lucky souls!

Allan Dean.

Legion Burns Mortgage

(Continued from Page One)

profit and the mortgage payments got made. An annual car draw in conjunction with the Carnival brought in each year a sizable sum. There were other draws and special functions, primarily organized to raise money, but all provided fun and entertainment. It was hard work, as any entertainment chairman or car draw committee will attest, but looking back who can say that it was not all well worth while.

During all this time our Ladies' Auxiliary were with us all the way. They catered to weddings, banquets, helped out with carnivals, both winter and summer, and whenever they got a few dollars ahead they didn't buy for themselves the things they needed — a new refrigerator, a remodelled kitchen. No, they turned over their money to the Legion to make that extra mortgage payment. And make them we did. The mortgage that was expected to be re-negotiated after ten years is fully paid off in a little more than six.

Now, before we get out the matches, let us consider what comes next. We must resist the tendency to rest on our laurels, to pat ourselves on the back to

say "we've done a wonderful job, now let's rest". Let us instead take a good look around our community. There is much left to be done. Sure, we have spent a couple of hundred each year on minor hockey, pee wee baseball and such, but compared to what we have spent on ourselves that is a paltry sum indeed. Now there is a new hospital under construction to which we are committed to contribute \$3,000.00. Is there any reason why we can't double that? Or initiate some new program to benefit the young people in our midst?

Our Members and the Ladies' Auxiliary have demonstrated that when given something to work for they will work. Give them a brand new objective, and I am sure they will not let it down.

I've been up here long enough. We came to burn the mortgage. Who's got a match?"

Those given the honour of burning the mortgage were Edith Day, President of the Ladies' Auxiliary for the past four years; Bernard Davidson, Building Committee Chairman; Harry Cowan, Eldon Sibley, Mel Carroll and Ted Iles — each of these members have put in over 20 years working for the Legion.

COMING EVENTS

The Regular Monthly Meeting of the Hyland Crest Auxiliary will be held on Monday, November 23, at 8:00 p.m. in the Craft Room. Come and help make plans for Christmas for the residents.

Card Party on Tuesday, November 24, 1970, time - 8:00 p.m. sharp, place - Senior Citizens' Home in Minden. Euchre, cribbage, bridge. Lunch and prizes. Price .50c each. Sponsored by the Kinette Club of Minden.

Christmas Tea, Bazaar and Bake Sale at the Minden United Church on Thursday, November 26, from 2:00 to 4:00 p.m. Special noon lunch from 11:30 to 1:30. Everyone welcome.

Eagle Lake Annual Bazaar at Eagle Lake Community Church on Wednesday, December 2, from 2:00 to 4:00 o'clock. Home baking, sewing, novelties, tea room.

Dysart's Namesake

(Continued from Page One)

she sent etchings and a booklet "They Walked By Dysart Shore" which tells of the first known dedication of the Dysart Church by the Bishop of St. Andrews, David de Bernham, in 1245. This church was destroyed and another was built by the St. Clair family of Sinclairs as they were later known, a local baron of Dysart. The steeple of this church was built as a watchtower with guns to protect the shore and also the baron's house. The tower still stands and pictures of this, the etchings and booklet can be seen in the Dysart Library.

Mr. Albert Kidd of the Scottish National Trust, publishers of the booklet, was interested in finding out about the other Dysarts abroad and some friends of his from Toronto tried to find our Dysart but probably drove through Haliburton not knowing they were in Dysart! Incidentally, there is another Dysart in Saskatchewan.

Altogether, the Scottish Dysart is a quaint old town with crooked cobbled streets winding down to the sea where the inhabitants still go out in their small boats to fish. The Scottish Dysart is interested in our Dysart and the Librarian would appreciate hearing from anyone who has anything to add to our scanty knowledge of Dysart's beginnings.

Mary Packard.

Ground School To Commence

This coming Monday night, November 23, Ground School classes will commence at 7:30 p.m. at the Stanhope School House which is situated on the Stanhope Airport Road. The registration of new students is welcomed.
